

Dear President Yao,

On behalf of the University of Maryland, Baltimore Graduate School (UMB), I would like to invite you and your distinguished colleague, Dr. Zhaofu Dai to visit UMB for a five-day period within the dates between May 6 to May 30, 2024.

Although we would be delighted to help you and Dean Dai identify accommodations near the UMB campus, it is understood that during your visit to UMB, your institution –Wannan Medical College –will cover all expenses for you and your colleague, including transportation, lodging, meals, insurance, and other costs.

On a personal note, please allow me to express how pleased I am with the prospect of exploring educational collaboration between UMB and Wannan Medical College in the field of forensic medicine, possible short team seminars and workshops, scholars and student exchanges, and collaborative teaching initiatives.

Please contact me if you have any questions or require any additional information.
